Hi Jenni:

Hope you're doing well.

We talked a couple weeks back about you coming over to the MJS to do a version of the program/discussion you did on campus re. sensitivity issues and the like.

I'm connecting you here to Sarah Hauer, a past O'Brien assistant who you met while here, and John Deidrich, a reporter and assistant editor, who you may have met.

I'm hoping you guys can find a good day and time that works.

Thanks.

Greg

Thanks, Greg.

Sarah and John. I'll be at the MJS on Oct. 9 to meet with Greg and other journalists to review my project.

Perhaps that may be an opportune moment to discuss possibilities of future remarks for MJS.

Thanks and I look forward to hearing from you.

Best,  
Jenni

Hey Jenni,

I'll be out when you're here on Oct. 9 but am eager to have you join us again to speak about cultural sensitivity. Greg said great things about presentations you've done before.

Perhaps John or Steve will be around to talk about what would be helpful for our newsroom?

Hi Jenni,

I understand from Greg that you are not coming in next week. I am trying to figure a time that we can all talk. Does Monday Oct. 15 work? If you can come in, that's great but not necessary. We could just get you on the phone. Does the morning that day work?

Thanks,  
John

Hi Jenni,

We were wondering if you might be able to swing by the newsroom next week? The best times for us are late morning Tuesday or Thursday morning or early afternoon Tuesday. Please let us know if any of those times work. We are looking forward to getting together.

Thanks,  
John

What would be the premise of the meeting?  
Anything we can chat about over the phone?  
It's looking like I may be out of town.

Hi, we wanted to see if you might be willing to consider doing a sensitivity session for the newsroom. Since I joined the email conversation later, I'm not sure how things were framed earlier, but based on the subject line here it sounds like that was the direction.

Sarah, Steve and I are on groups in the newsroom helping you to bring sessions like this to staff members.

Let me know if that is something you would be comfortable doing and if so we can set up a time and talk by phone if that works best for you.

Thanks, John

Sure, I'd be happy to chat.  
But perhaps you could explain a bit about what you are anticipating in such a session?  
Here by phone for the next couple of hours if you want to chat real quick.  
I just want to make sure we're on the same page.

Thanks.  
Jenni

Hi Jenni,  
Sorry I missed this email until now. Again, I came to this email string late but I see from Greg's first email that he was referencing a program/discussion you did on campus. The idea was to see if you could do that here. We can talk tomorrow if you have time.

Thanks, John

good deal. Sarah and I will ring you then. I don't think this will take long. After talking to Greg, the idea is to have you do the same thing you did at MU here at JS, without a need to make any changes. We just need to figure out a time that works.

Thanks, John
